

LESSON 4

Date: _____

RESTS indicate the number of beats of musical silence.

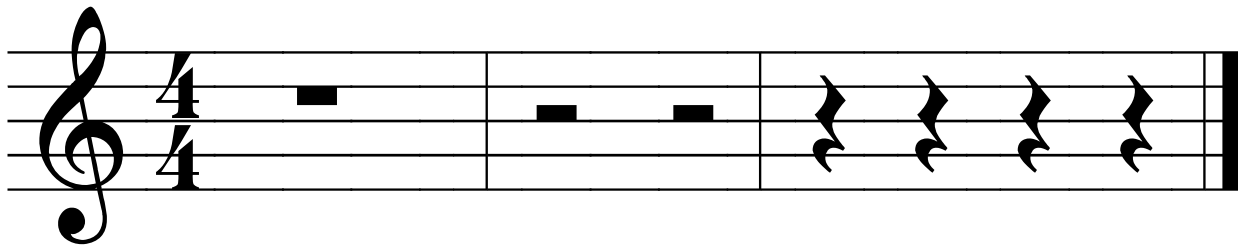

WHOLE REST = 4 BEATS

HALF REST = 2 BEATS

QUARTER REST = 1 BEAT

To add bar lines to music, you must count up the number of beats, not the number of musical symbols. Use the time signature to determine how many beats should be in each bar.

Complete the following tables.

Musical Symbol	Name	Duration (No. of Beats)
	whole note	4
	half note	2
	quarter note	1

Musical Symbol	Name	Duration (No. of Beats)
	whole rest	4
	half rest	2
	quarter rest	1

PRACTICE

1. Draw 2 more of each of the following rests.

2. Add bar lines to the following music. Then, write the letter name under each note. Use CAPITAL LETTERS.
