

LESSON 7

Date: _____

Use the musical alphabet to help you determine the letter name of notes on LEDGER LINES.

Two musical staves illustrating the use of the musical alphabet for ledger line notes. The first staff shows notes on ledger lines with an upward-pointing musical alphabet guide. The second staff shows notes on ledger lines with a downward-pointing musical alphabet guide.

Vertical musical alphabet guides:

- Upward-pointing guide: ... C B A G F E D C B A G F E ...
- Downward-pointing guide: ... C B A G F E D C B A G F E ...

PRACTICE

1. Write the letter name under each of the following notes. Use CAPITAL letters.

The first staff contains the following notes: a whole note on the first space (F), a whole note on the second space (G), a whole note on the second line (F), a whole note on the third space (G), a whole note on the third line (F), a whole note on the fourth space (G), a whole note on the fourth line (F), and a whole note on the fifth space (G). The second staff contains the following notes: a whole note on the first space (F), a whole note on the second space (G), a whole note on the second line (F), a whole note on the third space (G), a whole note on the third line (F), a whole note on the fourth space (G), a whole note on the fourth line (F), and a whole note on the fifth space (G).

2. The following notes show the RANGE (distance from lowest note to highest note) of a piano. Determine the letter name of these two notes.

The diagram shows two staves. The left staff has a bass clef and a whole note on the first line, labeled "lowest note". The right staff has a treble clef and a whole note on the fifth space, labeled "highest note".
